

British Values Objective Mapping

Introduction

Schools should promote the fundamental British values of Democracy, Rule of Law, Individual Liberty, Mutual Respect and Tolerance of Different Faiths and Beliefs.

This document is designed to support planning and evidence-gathering for each of the British Values objectives. It includes a breakdown of the British Values Objectives for EYFS, KS1 and KS2, specifying which lessons cover each objective. For full coverage, some objectives may appear in different modules, and many are reinforced across multiple lessons.

myHappymind Plus also provides access to:

- Whole-School Assemblies: one for each British Value, complete with an assembly plan to guide delivery and ensure clear messaging.
- Classroom Activities: a whole-school guide to follow-up activities that each class can complete in their own classroom.

This can help schools to demonstrate how they are meeting the requirements of section 78 of the Education Act 2002, in their provision of SMSC. While this is not part of the PSHE curriculum, through myHappymind Plus, you have access to these resources to provide additional support to your school in promoting British Values, helping pupils develop understanding and respect for these important principles.
