## 1. Aims

At Woodloes Primary School, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from disadvantaged backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential, including the pupil premium grant (PPG).

The PPG was created to provide funding for three key areas:

- Raising the attainment of disadvantaged pupils and closing the gap with their peers.
- Providing funding for CLA and previously CLA (PCLA).
- Supporting pupils with parents in the armed forces.

This policy outlines the amount of funding available, the school's strategy for spending the PPG effectively, and the procedures for ensuring the funding is allocated correctly.

This policy aims to:

- **Provide background information** about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- **Set out how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

## 2. Legislation and guidance

This policy is based on the [pupil premium: allocations and conditions of grant 2025 to 2026 - GOV.UK](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

## 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

## 4. Use of the grant

At Woodloes Primary School our spending strategy is informed by research evidence, referring to a range of sources, such as the [guide published by the Education Endowment Foundation \(EEF\)](#).

Our pupil premium strategy aligns with the 3-tiered approach described in the EEF's pupil premium guide. The DfE states that our activities must be those that:

- Support the quality of teaching, such as staff professional development;
- Provide targeted academic support, such as tutoring; and
- Tackle non-academic barriers to academic success, such as attendance, behaviour and social and emotional support

Our use of the pupil premium and activities align with the DfE's 'menu of approaches'. based on the 3 tiers outlined above.

Ensuring effective teaching in every classroom is the priority for PPG spending. To achieve this, we spend the PPG in the following ways:

- Professional development
- Recruitment and retention
- Supporting early career teachers

Evidence shows that targeted support has a positive impact and is a key component of effective PPG use. We spend the PPG on targeted support in the following ways:

- Structured interventions
- Small group tuition
- One-to-one support

Wider strategies are used to overcome non-academic barriers to success. We spend the PPG on the following wider strategies:

- Behaviour support
- The breakfast club
- After school clubs
- Attendance initiatives
- Funding educational trips and visits

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

Our pupil premium strategy statement is available here:

## 5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 6.

Eligible pupils fall into the categories explained below.

### 5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### 5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

### 5.3 Post looked-after children

Pupils recorded in the most recent October census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

### 5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
