

Woodloes Primary School Maths Long Term Curriculum Plan

The White Rose scheme is used to plan and deliver sessions from EYFS to Year 6. These enable skills to be taught sequentially and for links to prior learning to become embedded.

	Autumn	Spring	Summer
Year 1	Place value (numbers within 10) Addition and subtraction (numbers within 10) Geometry (shape)	Place value (numbers within 20) Addition and subtraction (numbers within 20) Place value (numbers within 50) Geometry (shape) Length and height Mass and volume	Multiplication and division Fractions Geometry (position and direction) Place value (numbers within 100) Money Time
Year 2	Place Value Addition and Subtraction Shape	Money Multiplication and division Length and height Mass, capacity and temperature	Fractions Time Statistics Geometry (position and direction)
Year 3	Place value Addition and subtraction Multiplication and division A	Multiplication and division B Length and perimeter Fractions A Mass and capacity	Fractions B Money Time Shape Statistics
Year 4	Place Value, Addition and subtraction Measurement: Area Multiplication and division A	Multiplication and division B Length and perimeter Fractions Decimals A	Decimals B Money Time Shape Statistics Position and direction
Year 5	Place value Addition and subtraction Multiplication and division a Fractions a	Multiplication and division b Fractions b Decimals and percentages Perimeter and area Statistics	Shape Position and direction Decimals Negative numbers Converting units Volume
Year 6	Place Value Addition, Subtraction, Multiplication and division Fractions A Fractions B Converting units	Ratio Algebra Decimals Fractions Decimals and Percentages Area, Perimeter, Volume Statistics	Shape Position and direction Consolidation Problem Solving Transition
